Nothing about Foods Co. I like the stores so nice and clean. I like the people especially like the nice help they give me driving a long way to Foods Co.

**FOODS CO. DELIVERS WHAT IT ADVERTISES**

Foods Co. has true ad prices. What I mean by that is that when they advertise something and you get to the store, they are not out of the item, and the item is as it was advertised. I also like the people at Foods Co. because they are so helpful.
